HELLO !

My name is Pierre and I'm a French wedding filmmaker.

Filmmaking has been my job for few years now. Since I first started, I have always thought that video could be an extraordinary way to tell beautiful stories and to create emotions.

For me, videography is about unique moments and loving. As a storytelling lover, I will help you to build your own and unique story with my creative and elegant vision.

Scroll down to find out more about how you can trust me as your filmmaker for your wedding.
